NEW GOODS! NEW GOODS!!

AT

Creech's.

I MAKE MY BOW AGAIN TO MY NUMEROUS friends and patrons, with a house full of goods and still they come.

Why, just look, the stores filled with drays all loaded with new Goods

FOR CREECH'S.

Just received, 51 CASES OF DRY GOODS, consisting a large and varied assortment; and when you talk about Dress Goods, and what you think of new styles and speak of Goods at the right prices, why, bear in mind that they are here and now opened at Creech's. COME AND LOOK AT THEM.

CALICOES, CALICOES.

I will sell you Calicoes at 8 cents per yard; wont you look at them at 10 cents? and cant you afford to buy them at 12½c.

Goods for Men's and Boy's Wear.

Don't you know that I keep the best assortment in the City? You that do not know it, come and look at them and to you that do know, come right along and buy what you want. I have got some for the boy's, plenty for the youth's. A fine supply for the young men and enough to keep the old gentlemen warm, so why not spend a few moments at Creech's and satisfy yourselves?

There the remote Bermudas ride
In the Ocean's bosom unespied;
From a small boat that rowed a-long
The listning winds received the song.
COME TO CREECH'S.

Cloaks and Shawls, Cloaks and Shawls.

Did I say Cloaks and Shawls? That is just what I mean. Why I will sell them to you for $2.00! Do you want them cheaper? same quality. Cant find them! Do you want them finer? I say just the man that has them. 5, 7, 8, 10, 12, 15, 20, 25 and 30 dollars; do you want them finer still? Just say so, and I am the man to order them.

Boots and Shoes, Boots and Shoes.

Just received 100 Cases for Ladies, Misses, Boys and Children; so just put that naked foot into a boot or shoe, for it will soon be cold weather, and my friend, I see your boots are wearing out, and your shoes have a hole in them, so you had just as well come to Creech's and buy a new pair. They look better and fit better, any way; they keep your feet dry and preserve your health.

Hats, Hats, Hats.

All right; Prices right; Styles right; and did you know that Creech's is the place to buy hats right? Come and look.

Ladies' and Misses' trimmed and untrimmed Bonnets; Would you not do well to spare a few moments and come and look at them?

I beg leave to return my sincere thanks for the patronage I have received for the last 20 years at your hands and I hope, by strict attention to business, representing goods as they are and in every instance giving you the worth of your money, to continue to share a liberal portion of your patronage

CHIEF JUSTICE PEARSON AND THE SENATE.

On Friday last a paper writing was presented to the Senate, at the instance of Chief Justice Pearson, which was signed by him and purported to be some sort of apology for his grave dereliction of duty in the *habeas corpus* cases.

We have not yet been able to get a right of this strange and anomalous paper, but we hope to get a copy of it before long, and then we propose to examine it, and discuss its merits and demerits.

We learn that the said paper is a feeble and puerile production, and shows that the Chief Justice is in great fear of impeachment, and illustrates how ready and willing he is to resort to any shameless subterfuge and trick to escape answering at the bar of the State for the crimes that are chargeable upon him.

Heretofore he has *professed* silent contempt for the loud complaints of the Press and the helpless citizens whom he outraged by denying them the benefit of the writ of *habeas corpus*; now he sees approaching danger and justice, he trembles and fears, and seeks by sinister and indirect means to ward off a sentence which will, when pronounced, consign him to perpetual ignominy and shame. He laughed at the calamity of the victims of Holden's lawless robbers and cutthroats, and mocked at their repeated appeals for relief to which they were entitled, and which he had *sworn* to grant to them; but now the day of his own calamity comes, and he cries out, are the hand of justice seize him.

This paper was addressed to the Senate and introduced before it, for what purpose? Let us consider. He knew that it had been seriously proposed to impeach him for high crimes and misdemeanors; he knew as well as any one, that the *Senate* branch of the Legislature must be the Court to try him when impeached, and he knew, too, that the Senators ought not to consider of evidence or arguments for or against him until the trial should come on according to law; yet he sends his apology or defense to the *Senate*, in advance of his trial!

He knew the House of Representatives alone could impeach; he knew he could be properly heard there, and why did he not go there to be heard in *advance* of any action of the House against him? The reason for such conduct is manifest; he deliberately intended to entrap and embarrass the Senators, and have them *prejudge* his case upon an *ex parte* statement made by himself. No other reasonable motive of which we can conceive can be assigned for his action. It was alike monstrous and insulting to the Senate, and that body properly refused to hear the paper read. Such graceless presumption is unheard-of, and, to use one of his own phrases, "shocks the moral sense."

We here repeat the gravest charge made against the Chief Justice; it is, that he wilfully and corruptly refused, in his office of Chief Justice of the State, to give efficiency according to law, to the writ of *habeas corpus* for the benefit of many citizens, lawlessly deprived of their liberty by a desperado by the name of George W. Kirk and others, backed by the Executive of the State, by wilfully refusing to grant the process, and exercise the means provided by law to that end. This charge we can make good by abundant and indubitable proof, if we can have the opportunity to do so.

DAVY SETTLE, ESQ.

Ashley and Martlin, the *incog.* editors of the *Standard*, are greatly grieved over the conduct of Mr. Settle, member from Rockingham, who offered an amendment to the bill which removes Joseph W. Holden as State Printer. They falsely intimate that we suggested Mr. Settle's amendment. We never heard of it till it was read to the House. Mr. Settle's purpose seems to have been to exclude the swindler, Littlefield, as a bidder for the printing.

Ashley and his brother-in law are "sorry" for Mr. Settle because he would rule out the swindler from any further participation in matters concerning the State. Littlefield's *Standard* office and the fixtures of the same are said to have cost $30,000. He has North Carolina and Florida bonds amounting to millions. On this stolen capitol he could do the printing cheaper than any other office in the *State*, and pay Martlin and Ashley besides, a sufficient bonus to quiet their employees. He ought to do the printing *gratis*, if at all, but even if he were to undertake to do it for nothing, he would swindle the State in some way before he got through the job.

We advise the wandering Pilgrim and refugee Professor to moderate their sorrow, so far as Mr. Settle is concerned, and if they have any extra philanthropy to dispose of that they meet together and pray for Joe.

DODGED THE RESPONSIBILITY.—In the Senate yesterday, on the bill to repeal the act which gives the Governor power to appoint detectives, &c., "my son-in-law Lewis," made a speech in opposition, but when the vote was taken *the Judge dodged*, as did also Lehman of Craven, Barnett and Hyman, colored.

GRAHAM AND VANCE TEMPTED OF THE DEVIL.

Readers of sacred history will remember that the devil, for forty days, tempted the Savior, after his return from the river Jordan into the wilderness. In the Book which should not be lightly, much less irreverently named, it is written, "And the devil taking him up into a high mountain, showed unto him all the kingdoms of the world in a moment of time. And the devil said unto him, all this possession will I give thee and the glory of them; for that is delivered unto me; and to whomsoever I will I give it.—If thou wilt worship me all shall be thine."

The reply was, "get thee behind me, Satan."

Now, the application.

Gov. Holden has been guilty of high crimes and misdemeanors; he has dishonored and ruined the credit, character and once high standing of the State, and has made war upon the persons and persons; liberties of the citizens; and now the day of retribution is fast approaching. The devil, who with armed ruffians, spread consternation throughout two counties, making women and children weep and tremble for the fate of their husbands and fathers and brothers, now begins to tremble in turn. He fears retribution in the shape of impeachment, and of legal prosecution for his crimes.

Seeing the impending storm lowering over him, he seeks to avoid or avert it, like the original he devil did in the case we have cited from the good Book, by tempting and bribing his political adversaries and enemies. It is well known that he exercises a controlling influence in the appointment to every office, great or small, in the State. He offers to have Gov. Vance's disabilities removed and asks personal interviews with him; for what? to tempt and bribe him!

He is willing for, and is committed to the removal of Gov. Graham's disabilities; for what? to tempt and bribe him!

He tenders to Dr. Murphy a position on one of the Boards of Public Charities; for what? to tempt and bribe him! One of his ex-private secretaries, said on the streets, before it was publicly known that the position had been offered to the Doctor, that he (the Doctor) would not vote for the Governor's impeachment. But the Doctor responded to the offer, "get the behind me, Satan."

Divers positions have been offered to divers Democrats and Conservatives, but have been declined, because it was well known to be for the purpose of conciliation and to counteract impeachment.

Gov. Vance refused to see or be tempted by the devil, though he could give him his pardon and "the kingdoms of the earth" besides.

The verdict of the people in August was, that Holden's corruption, power and oppression of the people shall cease, and his crimes be punished. The Democrat or Conservative who would now accept favor or place from him, would soon find *his own* place made vacant, and the frowns of an indignant people would rest upon him. Holden has, for a time been all powerful, and has used his power only for the oppression of the people and the ruin of the State; but to-day he is too poor, in political influence, to buy off by temptation and bribery, the just punishment of his crimes, and too low every way for any man to do him reverence without debasing himself.

ARREST OF A KU KLUX.

Alexander Ruffin, a poor deluded negro, has been for two weeks lying in Alamance jail. He was armed by the Governor and prevailed to become one of his undisguised Ku Klux, to go into Orange County and join in the arrest of the editor of the SENTINEL. The Grand Jury of Orange, at the last term, found a true bill against the Governor and his dupe, Alexander, under which the said Alexander has been arrested and lodged in jail, as stated.

The *capias* for the arrest of the Governor is now in the hands of Sheriff Lee, of Wake. The Sheriff seems to have learned from Marshal Carrow to be slow in executing the law in such cases; Holden has not yet been taken and held to bail, as he should have been.

But the poor negro has not fared so well. The Governor was very kind to him in giving him a position in his State Troops to do an unlawful act of violence, but now the poor fellow is in jail the Governor and his Radical friends let him lie there and refuse to go his bail and get him out.

The Governor ought to bail him out of jail and not abandon him to his fate, like he has Col. Burgin, who has been in jail ever since August. Even red eye Albright, or his cousin, the Clerk, ought to help Alexander out of jail, if the Governor won't.

The imprisonment of Alexander Ruffin lost "my son Joe" three votes in Orange.—A colored man, learning that the Governor had allowed Alexander to go to jail after persuading him to join his army, declared that he would not vote for Joe, and two of his friends joined him in his course.

This looked a little like visiting the sins of the father upon the son, but it was very natural. If Burgen and the negro Ruffin are to go to jail, why not the man whose orders they were obeying?

THE HANGING POSTPONED.

One who heard the speech of "my son Joe" Metropoliton Hall, last week, reports him as saying, in his speech, that the SENTINEL advocates a bill to punish members of a secret society, and that, if such a bill were passed, "I," said Joe, "will see that Congress puts down the bill and its advocates, and I will make good the threat I made, as editor of the *Standard*, six months ago, to hang the "King of the Ku Klux" in the jail yard.

Joe and "Dad" call us, and teach the negroes to call us "King of the Ku Klux;" we have a long lease on life, if our death depends on Joseph's election to Congress.

INTRODUCTION OF BILLS.

By Mr. Smith: Bill to repeal an act authorizing the Dan River Railroad Company to construct their Road; referred to the Committee on Internal Improvements.

By Mr. Robbins of Davidson: Bill to provide of a special term of the Superior Court of the county of Davidson, which passed its several readings under a suspension of the rules.

By Mr. Battle: Bill to change the dividing line between the counties of Nash and Wilson; referred to the Committee on Propositions and Grievances.

By Mr. Gilmer: Bill to extend the time for collecting and paying over the taxes, for county purposes for the county of Alamance.

On his motion the rules were suspended for the purpose of putting it through its several readings; considerable discussion arose, and numerous amendments were offered, all of which were voted down with the exception of the county of Caswell, as it was claimed that county was in a similar condition to Alamance, and the bill as amended passed its third reading.

By Mr. Love: Bill to repeal chap. 52, of the laws of 68 and 69, entitled an act to prescribe the powers and duties of the Governor in reference to fugatives from justice, (which authorizes him to employ a secret detective force.)

On his motion, the rules were suspended in order to put the bill through its several readings.

Mr. Love said he desired to state briefly his object for wishing to pass the bill at once, and he felt that when the Senate understood the bill, they would pass it without hesitation. The Governor by authority of said law had seen proper to employ secret detectives to nose around among the people or to spy out something for the use of his Excellency, but of no value or interest to the public at large. Still he had knowledge that upwards of $6,000 had been paid out of the Public Treasury for this secret service, how much more, he did not know, for this amount had been paid within one year and four days, and paid to such a class of men as Huskey Mower. Fisher the Adjutant General got $400 of it; Stephens at that time a Senator, got his share, and Wilkie then a member of the House received about $1,100 of it. He theught this unnecessary and shameful expenditure of money should be stopped at once.

Mr. Olds opposed the bill and spoke especially against hasty action.

Messrs. Dargan, and Robbins of Rowan, urged the adoption of the bill in an able and forcible manner and insisted on immediate action.

Kr. Gilmer also spoke in favor of the bill and moved the following amendment to section 1st "and that section 4 of chapt. 35 of the Revised Code be re-enacted instead thereof" which was adopted and the bill passed its final reading by the following ballott:

AYES.—Messrs. Adams, Allen, Albright, Beasley, (Repub.) Bellamy, (Repub.) Battle, Brogden, (Repub.) Currie, Cowles, Crowell, Cook, Council, Dargan, Eppes, (col. Repub.) Flythe, (Repub.) Flemming, Graham, Gilmer, Hawkins, (Repub.) Jones, King, (Repub.) Latham, Lassiter, (Repub.) Ledbetter, Lenney, Love, McCotter, (Rep.) Moore, (Repub.) McClammay, Murphy, Morehead, Mauney, Merrimon, Norment, Robbins of Rowan, Robbins of Davidson, Speed, Skinner, Smith, (Repub.) Troy, Waddell, Worth and Whitesides 43.

By Mr. Merrimon, Bill to repeal chapter 27 of the Public Laws of 69 and 70, (Shoffner bill) referred.

The President stated that in accordance with the requirements of the Constitution the second Tuesday after the organization of the General Assembly was set apart as the day to go into the election of a United States Senator. He was of the opinion that this General Assembly was not organized until last Tuesday instead of on Monday. Consequently according to law the election for United States Senator would not be in order until to-morrow week, which would be the second Tuesday after organization. He was not altogether satisfied on the point and simply mentioned it in order to hear the views of the Senate and that they might decide the question for themselves.

Mr. Robbins in order to bring the subject properly before the House introduced the following resolution, to-wit:

Resolved, That in the opinion of the Senate this General Assembly was organized on Monday, Nov. 21st inst., and that proceedings ought to be begun on Tuesday, Nov. 29th, for the election of a United States Senator in accordance with the law.

After some discussion the resolution was adopted.

On motion, the Senate adjourned.

CORRECTION.

On Saturday when Mr. Graham's resolution declaring a vacancy in the 24th Senatorial District was under consideration, Mr. Olds moved to postpone its further consideration to December 1st.

In reporting the vote the negatives were marked yeas and the affirmative nays.

Mr. Barnett was reported as voting against the resolution and he voted for it.

HOUSE OF REPRESENTATIVES.

MONDAY, NOV. 28.

House was called to order at 10 o'clock. Prayer by Rev. Mr. Grayson of the House. Journal of Saturday read and approved. Messrs. Sparrow and Lucas were reported as being confined to their rooms for the past several days by sickness.

A memorial was received and read from citizens of Caswell in reference to outrages, indignities and intimidation practiced upon them by Holden, Kirk & Co., before and during the election, and asking that a fair election might be held in the county, and asking the impeachment of the Governor. The memorial was referred to the committee on Elections.

Mr. Dunham from the Special Committee in regard to the contested election in Madison county, submitted a majority report, showing that Mr. Kelsey received a majority of 18 of the legal votes cast, and that the Commissioners of Madison had no right in law to count the votes cast in Kirk's regiment at Caswell.

Mr. Darden submitted a minority report declaring that neither Mr. Kelsey or Mr. Rollins (the incumbent) had a right to the seat and that a new election should be ordered.

On motion of Mr. Grayson, the rules were suspended and the bill allowing further time to enterers of vacant lands, was taken up, and, on motion of Mr. Strudwick, was referred to the Committee on Judiciary.

CALENDAR.

The resolution raising a special Committee to investigate the Alamance elections, was taken up, and, on motion of Mr. Welch, was referred to the Committee on Privileges and Elections.

On motion of Mr. Johnston of Buncombe, the rules were suspended and the reports of the special Committee on the Madison County contested election case, was taken up.

The majority report, seating Mr. Kelsey was read.

Mr. Strudwick moved a concurence in the majority report.

The two minority reports were next read.

Sykes, col., moved to substitute the report of Mr. Darden, which declares the whole election illegal and that a new one should be held, for the majority report.

Mr. Strudwick argued against the adoption of such a motion.

The yeas and nays being called the motion was rejected by a vote of yeas 34, nays 70.

The question recurred on the motion to concur in the majority report.

Mr. Justice argued te some length against a concurence.

Mr. Dunham, chairman of the Committee, made an elaborate argument in support of the majority report, summing up from the record in the matter all the evidence that had been produced.

Mr. French moved to refer the matter to the Committee on Privileges and Elections, with power to send for persons and papers.

Messrs. Gregory and Johnston of Buncombe, opposed such a disposition of the case.

Mr. Strudwick moved that Mr. Kelsey be allowed to qualify.

Mr. Justice moved to amend by referring Mr. K's. claims to the Committee on Privileges and Elections on the ground that he was banned by the 14th article; lost.

Mr. Kelsey came forward, qualified and took his seat.

A message was sent to the Senate, requesting that body to return to the House the Treasurer's report.

On motion of Mr. Johnston of Buncombe, the rules were suspended and the joint resolution asking our members of Congress to urge the passage of the bill, now pending in that body, in reference to the Western North Carolina Extension Railway Company, was taken up and adopted.

The Chair announced the following committees:

COMMITTEE ON JUDICIARY.—Messrs. Sparrow, McAfee, Johnston, Welch, Ashe, Gregory, Hargrove, Settle, McCauley, Stanford, Strudwick and Fisher.

COMMITTEE ON FINANCE.—Messrs Strudwick, Ashe, Johnston of Buncombe, Reid, Chamberlain, Smith of Anson, Morris, Gwyther, Darden, Houston and Stanford.

COMMITTEE ON INTERNAL IMPROVEMENTS.—Messrs. Welch, Gregory, Kelly of Davie, French, Dickey, Lackey, Justice, Page, Gatling, McNeill, Young of Yancey and Bryson.

On motion the House then adjourned.

CHIEF JUSTICE CHASE.—It is stated that when Congress meets Chief Justice Chase will ask to be relieved of the duties which the bankruptcy act of 1867 required him to perform as Chief Justice of the Supreme court. The health of the Chief Justice continues steadily to improve. He will remain at Narragansett, R. I, until after Christmas, when he will seek a milder climate. In a recent letter, he says: "The doctor gives me reason to believe that I shall recover fully from my present illness. I am certainly much better." This announcement of the Chief Justice's intention in regard to the bankruptcy act is not more than might have been expected, and not more than is due to his place without reference to his present infirm health. The country will be glad to learn that the health of the Chief Justice continues to improve.

NORTH CAROLINA is $18,000,000 in debt. Tennessee has been plunged in debt since the close of the war to an extent which not only suggests repudiation, but makes the suggestion one which may be entertained without suspicion of dishonesty. Bullock, in Georgia, has taken possession of the state railroads and squandered their revenues. The state treasurer says the governor has plundered the state. The radicals in Alabama had schemes for saddling on the state a debt of about $24,000,000 for railroad enterprises. Harrison Reed, the governor of Florida with the help of a legislature composed of negroes and carpet-baggers, has increased the debt of the state to an extent which makes payment of it impossible.

These facts will help to make impressive the subjoined from a North Carolina correspondent of the New York *Tribune*:

"Plainly, the curse of the state, and the republican party in the state, has been a set of migratory cormorants, who are now fast leaving it, unfortunately some of them leaving bills unpaid and bonds forfeited for deficits in their accounts."

Who are these disreputable demagogues? What inducements were offered them to go to North Carolina? Under what laws were the decent men in the state loaded with political disabilities, and the "cormorants" and negroes made the only classes capable of holding civil offices?—*Chicago Times.*

SECOND S. C. CONGRESSIONAL DISTRICT.—The news from South Carolina states that the State Board of Canvassers of South Carolina have, by a vote of 5 to 2, given the certificate of election as Congressman from the Second District to De Large (colored) over Mr. Bowen, who was counted out of a majority of at least five thousand. Although Mr. Bowen presented proofs of these frauds, the Board refused even to read them. Mr. Bowen will contest the seat, and some curious revelations of how they manage elections in South Carolina will be exposed. Senator Sawyer will take an active part in Bowen's favor, which will widen the breach already existing between him and Governor Scott.

A MAN BURNED TO DEATH.—We learn that on Wednesday night an accident occurred at Mrs. Holt's, a short distance West of this place, which resulted in the death of an old negro man named Banks. The negro, it seems, was sick, and was staying in an outhouse upon Mrs. Holt's place. In some manner he took fire, and before any assistance could reach him both himself and the house were consumed. He was alone in the building at the time.—*Roanoke News.*

JUST RECEIVED A GOOD SUPPLY OF Self Raising Flour. No humbug.

nov 3-1m S. D. HARRISON'S.

SOMETIME since an announcement extraordinary was made by the SENTINEL, that he knew of twelve orders having been given our Milliners in one day for Bridal Bonnets, and expressed some surprise at the number &c.

Our friend Moore was not in the secret. I propose now to tell him and every body else, that it was not surprising at all.

Every one of these happy Bridegrooms were patrons of Pink C. Hardie, and purchased their Cigars and Tobacco of him, which imparted a fragrance to the breath which was perfectly irresistable. Sozodont is no where.

Every body knows what a horrible scent is imparted by a horrible Cigar or Chew, "such as I dont keep" and no one discovers it sooner than the ladies.

Now a word to all who contemplate matrimony. Be wise in time and give no occasion for your rejection by purchasing your Cigars and Tobacco from

PINK C. HARDIE.

To the members of the Legislature, strangers and citizens I would say, that my stock of Cigars, Tobacco and Smokers goods generally is complete. Come and see me, and I will guarantee I will suit you in quality and price.

I deal in nothing but Tobacconists goods. Cigars from three cents to fifty cents.

AN ERROR.—In the report of the proceedings of the House of Representatives some days ago, wherein mention was made of Mr. Strudwick's motion to suspend the rules in order to pass his bill repealing that infamous bill, known as the act "To secure the better protection for life and property," the report stated that Mr. Hinnant of Johnston voted against the motion to suspend the rules whereas he voted for it. We make the correction with pleasure and the Reporter apologizes for the error.

SAD ACCIDENT.—Yesterday evening a colored man called Stephen, (his surname we did not learn,) fell between some cars while in motion, at the N. C. Depot, and was so badly injured by a portion of the train passing over him, that no hopes are entertained of his recovery. We learn that his left leg was cut off and he received severe injuries in other parts of his body.

Members of the State Musical Convention, residing in the city, are requested to meet at the Presbyterian Session Room, this (Tuesday) evening Nov. 29th, at 7 o'clock. It is hoped that all who can will be present, as there is business of importance to be transacted.

COMPETITION, THE LIFE OF TRADE.—Stone and Murray's Circus is on its way to this State. Col. Hayes will have to look to his laurels, or he will get his "hindsights knocked off" in the show business.

By the way, speaking of Circuses, we understand that Dr. Thayer, the "illustrious predecessor" of Col. Simon Hayes in the circus business in this State, has gone North to organize another company, and expects to return at an early day and fulfil his advertised engagements with a simple postponement of date and, perhaps, some change of programme in regard to local notices.

FLOWER BULBS.—We mentioned a few days ago the fact that Messrs. Pescud, Lee & Co., had received a supply of bulbs of rare flowers, in original packages, from Holland. We have been complimented with a package of tulips and one of hyacinths, for which they will please accept our thanks. We expect at no distant day, to have in bloom a number of these beautiful "children of the Spring." We dearly love flowers, rough and uncouth as we may appear; they charm the eye, regale the sense of smell and refine the moral sensibilities.

We suppose many persons would like to know if there are any bulb glasses in town for sale. We do not know whether they can be obtained here on not.

SPEND A SHILLING TO GAIN A POUND.—Chances to draw "big money" on a small investment are offered by the "Alabama Immigrant Association," whose advertisement appears in another column. This Association is regularly incorporated under the laws of Alabama, with a cash capital of $50,000, as appears from a certificate of the Secretary of State. Besides this they are indorsed by the City press of Montgomery, as gentlemen of integrity and wealth, who will fulfil their promises to the public. Read their advertisement.

FREEDOM OF THE BALLOT.—An outrage was perpetrated at the polls on Saturday. A voter complained to us that, after depositing his vote in one box, he proceeded to carry out the practice of the Radical party heretofore, by voting at the other boxes, but was denied the privilege. He consequently did not vote but *one time*, and complains that the *freedom* of the ballot has been outraged. He thinks "if this thing is allowed the Radical party will go to the devil." This prevention of "repeating" is what the Radical leaders allude to in charging the Democratic party with depriving the colored man of his right to vote.

THE WOMAN'S FRIEND is the title of a new soap recently invented by Mrs. A. W. Hunter, of Elizabeth City, N. C. It is for washing purposes, and is truly a valuable invention. The process for its use is simple. The article to be washed is first dipped into cold water, then thoroughly soaped and boiled for five minutes then rinsed in two or three waters. It is then clean and white, no rubbing or other work required, which generally damages fabrics so much. We have seen it tested, and certify to its efficiency. It can be manufactured for three or four cents per pound.

State and county rights for sale by G. Wilson Hunter. As it is a home invention, and, we believe, equal to all that is claimed for it, we heartily wish Mrs. Hunter success.

VESSELS AGROUND.—The Ship Persia, from New Orleans to Liverpool, with 3,700 bales cotton, and the Alpha from Jacksonville, Fla., for Boston, with 125,000 feet lumber, went ashore on the coast of North Carolina, near Frying Pan Shoals, on Wednesday last, during the severe gale from the West. Both vessels were leaking badly, and it was feared they would go to pieces.

SAD ACCIDENT.—A correspondent writing us from Franklinsville, Randolph co., informs us that on the 10th inst., Dempsy Horney, colored, and M. S. Russell, white, while engaged in blasting a well for Mr. Hugh Parks, accidently, in tamping, exploded the blast, killing Horney instantly, and seriously wounding Bud Russell. At last accounts there were hopes of Russell's recovery.—*Greensboro Patriot.*

THE ELECTION ON SATURDAY.

We have not, up to 10 o'clock last night, sufficient *data* on which to found a reliable opinion in regard to the Congressional election on Saturday. From all we have been able to gather, we judge Mr. Manning is elected by a majority, ranging from 300 to 400.

The following is what we have up to the hour above named:

	OFFICIAL. *Manning.*	*Holden.*
Johnston,	615 maj.	
Franklin,		9 maj.
Wake,		498 "
Granville,		260 "
Orange,	650 "	
Warren,		1,196 "
	UNOFFICIAL.	
Chatham,	750 "	
Nash,	325 "	
	2,340	1,963
	1,962	
Manning,	378 major.ty.	

We are of the opinion that the official vote, both from Nash and Chatham, will fully confirm, if not increase, the above estimated majorities, so that, as we have stated above, Mr. Manning's majority will be between 300 and 400.

This, should it prove anything like the state of the case, will be glory enough for one small campaign. It will show that, with all the drumming that could be done by large numbers of hired canvassers by the Rads, they could not put Joe through, even over the utmost apathy of the Democrats and Conservatives in many parts of the district.

FEDERAL COURTS.—The United States Circuit and District Courts convened in this city yesterday, Judges Brooks and Bond presiding.

The following Grand Jury was drawn and charged by His Honor Judge Bond;—J. S. Harrington, John Porter, S. H. Jones, M. Thompson, Wm. Utley, R. W. Seawell, J. R. Caswell, Isaac Murchison, W. J. Lutterloh, Joseph Andrews, Young Hancock, Isham Taylor, B. Walker, Charles Dunston, M. L. Daniel, Josiah Tyser, J. Jenkins, Daniel McCoy, and F. T. Ellington.

The charge of His Honor is spoken of in very high terms by those who heard it, as being comprehensive and well suited to the occasion.

After the selection and swearing in of a petit jury for the term, and the disposal of some unimportant business, the Court adjourned to 10 o'clock this morning.

TUCKER HALL LAST NIGHT.—The Lisa Weber Burlesque Troupe opened at Tucker Hall last night to a well filled house.—Brough's burlesque of "Ernani or the Horn of a Dilemma," arranged by Miss Weber, was the piece for the evening, and, while keeping pretty closely to the main features of the opera, proved a very diverting affair, the loves of Ernani and Elvira being hit off in a series of bold and happy sketches.

Miss Lisa Weber is a pretty, sprightly actress, perfectly at home in the part of the bold bandit, introducing several songs which she sings remarkably well. Several of her songs were vociferously *encored*.—Cassie Troy, Hattie O'Neal and others of the "Blondes" made a very favorable impression on those present.

George Atkins, the comedian, displayed comic ability, and by the agile use of his legs convulsed the house with laughter. Altogether the Troupe made a decidedly favorable impression, and will have, tonight, no doubt another full house to witness their second and last appearance, for the present, in the city.

NOTICE FOR THE CITIZENS OF RALEIGH.

The Christian Association at their last meeting appointed four of their number to wait upon the citizens for the purpose of receiving such contributions of wood, provisions clothing or money as they may feel disposed to give. The Association have so systematized and matured their plans of operating as to fully meet the demand of our worthy and deserving, but unfortunate fellow citizens, and also to effectually break up the practice of street begging from door to door. But few of our citizens have any correct idea of the abject poverty and destitution which prevails among this class; and to see is to know their condition, and we cordially invite all who feel any interest in this undertaking to visit or join the Association. We are now without provisions or funds to purchase.

FROM ROBESON—MORE OUTRAGES.

ROBESON COUNTY, Nov. 25.

Editors Journal:—On Monday last Mr. Sanders, a United States soldier belonging to the 8th Regiment, who has been in this county for several months, was captured near Moss Neck and has, no doubt, been killed by the band of robbers and outlaws. Six other men were captured the day before but were released. The community have no hopes that Sanders will ever be seen again, as the robbers were heard to say that "they had the man they wanted." We have a company of United States soldiers here who are anxious to do something with these outlaws, and the people should give them all the aid they possibly can.—Now is the time for everybody to do their duty. Let all the Counties surrounding this offer a reward, as it is very probable they will make their way out of this for awhile. We could give an account of several recent robberies, but space will not allow.—*Cor. Wil. Journal.*

Monday Evening Dispatches.

NEW YORK.

NEW YORK, Nov. 28.—The *Tribune's* special dispatch from Berlin says that the outbreak of the present war, Gortschakoff had several interviews with King William and Bismarck in regard to the neutrality of Russia. Gortschakoff demanded the acquiescence of Prussia to the abolition of that part of the Paris treaty, which forbids Russian fleets in the Black Sea. Bismarck accepted the proposition. This enabled Prussia to withdraw two corps from the Russian frontier. Gortschakoff in addition was pledged to keep Austria from interfering.

FOREIGN.

LONDON, Nov. 28, 2:30 P. M.—The following has just been received: Tours, Nov. 28.—Forenoon.—A battle occurred yesterday between Villers and Salema, near Amiens which lasted all day. The French maintained their position up to half past four in the afternoon, when the town of Villers was abandoned before superior forces and the artillery of the Prussians. The French were subsequently beaten at Boves, a few miles west of Villers, but at Dury they maintained their position until nightfall. Three thousand Germans were engaged in the conflict at the latter place.

Dispatches from Tours announce a severe and general engagement to be progressing. The French are victorious, and it is claimed that the Germans were routed and are retreating.

The feeling in financial circles is healthier. The fear of a rupture between Russia and England is gradually abateing in all circles.

LONDON, Nov. 28, 11 o'clock.—The Paris *Figaro* implores the French government to make peace; the defenses of Paris being impossible.

The Tours journals of Saturday speak of the extraordinary activity of the War Department.

VERSAILLES, Nov. 27.—The settlement of the Black Sea question may be hoped for on the basis of a Conference and the withdrawal of the Russian note. After Constantinople and St. Petersburg had been rejected as the seat of the proposed conference, London was agreed upon. Russia is entirely placable.

TOURS, Nov. 28.—The repulse of the Prussians at Neuville is confirmed. A powerful French movement from LeMans, compelled the Prussians, moving from Alencon, to fall back.

Monday Night Dispatches.

WASHINGTON.

WASHINGTON, Nov. 28.—A fishing Schooner was captured by the Britan, at Charlestown, Prince Edwards Island, on the 24th, rescued and recaptured, the Captain and four of the crew being held as prisoners.

FOREIGN.

LONDON, Nov. 28.—There has been an engagement between the French and Prussians, near Pasquon, in which the French were repulsed, finally, and fled in great disord r. The next day there was another engagement in which the French suffered considerable loss. Seventy cannon of all sorts fell into the hands of the Prussians.

There was an engagement yesterday between a part of Paladine's army and the 10th Prussian corps, in which the French were driven from their strong position at Mezeros with serious loss. A French General was taken prisoner.

The French claim a great victory at Morenel, 12 miles South of Amiens, yesterday. The first German army, it is alleged, was driven into its entrenchments before Amiens. The German loss was severe.

For a long time before the late election the negroes of Donaldsonville, Louisiana, had been lectured to by gentlemen no less eloquent than Radical, among whom may be reckoned the *soi disant* Adjutant-General De Witt Clinton Brown, whose name, were such a novel sort of sarcasm allowable, should be put in quotation marks. The negro heart was fired with the wise thought that Democrats were the naturall enemies of the black race, and for ages had ground it to the dust, and even then was but waiting to forge chains to bind it forever. They should combine against the Democrats; they should arm themselves and become masters of the situation. Fired by such ghastly remarks, the negroes did arise, attempting to enforce a Radical measure to carry the ballot-boxes across the Mississippi River, where they could be conveniently manipulated. When the Mayor and a judge quietly went to the man who claimed to be responsible for the act, the Mayor and the judge were murdered in cold blood. And then, in battle array, the negroes took possession of the town and the roads leading to it, posted their pickets, and ravaged the town. And this is the secret of the Donaldsonville massacre.

SUCCEEDS HIS FATHER IN THE AGENCY OF THE

NATIONAL LIFE INSURANCE CO., U. S. A.

For the Central and Northern Counties in

NORTH CAROLINA.

The NATIONAL, under the management of his father, P. F. Pescud, Sr., secured very many warm friends who obtained policies for large amounts, and the fact that it has issued upwards of

10,000 POLICIES,

and nearly doubled its immense Capital of **$1,000 000** in about two years, speaks more for its wonderful popularity than any language at my command. The rates being based on the Stock Plan, and when contrasted with Mutual Cash rates, are so much lower, that a certain and handsome dividend is secured from the date of the Policy.

I will be gratified to take applications from my friends and all wanting Policies, and shall want many active and reliable Agents, in the fields assigned me.

LIFE INSURANCE AS AN INVESTMENT.

THE Widows & Orphans

BENEFIT LIFE INSURANCE COMPANY

OF NEW YORK.

Cash Assets over $1,500,000,

ISSUES ALL FORMS OF NON-FORFEITABLE WHOLE LIFE AND ENDOWMENT POLICIES on the Mutual Cash Plan, declaring Dividens annually after the first annual premium paid. Assetts exclusively Cash with no portion of its reserve fund in premium notes, consequently its "reserve" is stronger than that of any Company doing business in this State. No "*reader values guaranteed*" as an inducement to new business, but reference is made to the average amount, paid on each surrendered policy as shown by New York Insurance Reports, 1869 in evidence of having paid larger surrender values, than has been given under a minimum "Definite Cash Surrender Value." *Death losses* have not occurred, out of *several hundred* policy-holders in this State, which fact must establish the better ability of the Company, to pay larger dividends than Companies having an excessive mortality, the result of a selection of bad risks. "*Fictitious Dividends* are not declared, but Dividends are given from the actual surplus, in accordance with the Company's Charter. The attention of the public is invited to the following comparisons of cost, demonstrating the advantages over ordinary insurances, of the

TONTINE DIVIDEND PLAN:

Ordinary Life Policy Tontine Dividend Plan. Age 38, amount $10,000. 10 years in force. Annual Premium $291.50.	Ordinary Life Policy Mutual plan Cash Co. Age 38, amount $10,000. 10 years in force. CHARLOTTE, N. C.

TWENTY-ONE REASONS FOR PREFERRING THIS COMPANY TO ALL OTHERS.

1. Its cash assets are upwards of $13,000,000.00 and constantly increasing.
2. None of this is made up of promissory notes as in many Companies.
3. Its cash income per annum is over $6,500,000.00 and steadily growing larger.
4. None of this is composed of the notes-of-hand of policy-holders, as the case in many companies.
5. It has paid to widows and orphans, and other claimants under policies on deceased members, about $4,000,000.
6. Such payments are made in cash, and not partly in cancelled notes, as is the case in many companies.
7. No deductions are made from the face of a policy for premium notes when it becomes a claim, as is the case in al Note Companies.
8. The sum of $4,500,000, and upwards, in cash divided among policy-holders, (this included the dividend for the present year), as profits of the business.
9. All the profits of the business are annually divided among the assured Equitably, instead of being wholly or partially distributed among the stockholders, as is the case in all "Mixed" and "Proprietary" Companies.
10. Dividends are invariably available as cash in payment of premiums.
11. The dividends are made from the start and not postponed until after the lapse of several years, as in many Companies.
12. The Society deals Equitably with its policy-holders.
13. The Equitable has made more progress since its organization than any other Life Company in the world.
14. Its risks have been so carefully selected and its dealings so equitable, that it has never been obliged to contest the payment of a claim at law.
15. Its modes of applying dividends are more numerous and more advantageous than those of any other company in the world.
16. It issues all the popular styles of policy, including "Ten Year Non-Forfeiting" and "Endowment policies."
17. The amount of new business during the year ending "December, 1, 1869, was $51,031,141.00.
18. Its policies average larger in amount than those of any other company, showing that capitalists select the Equitable for purposes of investment.
19. The profits of the business are apportioned to the assured on the "Contribution Plan," which is conceded to be the only equitable mode of division, and not by the mode adopted by many companies, which is grossly unjust to a large proportion of the policy-holders.
20. It is as liberal in the conduct of its business as is consistent with safety to the assured, and does not sacrifice proper caution to an ambition to increase the nominal amount of its business as is the case with many new companies.
21. It is the favorite company in the United States, as is shown by its new business for last year, being nearly $13,000 000 greater than any other company.

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, accuracy of management, and skill and care in the selection of risks,*—upon which elements of administration the security of a Life Insurance Corporation depends.

The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.*

Insurers, in looking around for Companies in which to insure, should carefully seek for this important safeguard. It will be found in the BROOKLYN LIFE.
